

src/ECSYSTEM/AttributeContainer.h

```
graph TD; A[src/ECSYSTEM/AttributeContainer.h] --> B[stdint.h]; A --> C[cstring]; A --> D[queue]; A --> E[map];
```

The diagram illustrates the dependencies of the header file `src/ECSYSTEM/AttributeContainer.h`. It is represented as a central box at the top with four arrows pointing downwards to four separate boxes below it. The boxes below are labeled `stdint.h`, `cstring`, `queue`, and `map` from left to right.

stdint.h
