

old_system/.PhysicsProcessor
_Fallback.cpp

```
graph TD; A[old_system/.PhysicsProcessor_Fallback.cpp] --> B[PhysicsProcessor_Fallback.h]; A --> C[IPhysicsProcessor.h];
```

The diagram illustrates a C++ source file, `old_system/.PhysicsProcessor_Fallback.cpp`, which includes two header files. Two blue arrows originate from the bottom of the source file box and point to the boxes for `PhysicsProcessor_Fallback.h` and `IPhysicsProcessor.h`.
