```

The diagram illustrates the dependencies of the file `src/PhysicsProcessor/substance.h`. It is represented by a gray rectangular box at the top. Three blue arrows originate from the bottom edge of this box and point downwards to three separate white rectangular boxes. The leftmost box contains the text `string`, the middle box contains `vector`, and the rightmost box contains `stdint.h`. This visualizes that the `substance.h` file includes or depends on these three standard C++ components.
