

src/GUIRenderer/IEventListener.h

```
graph TD; A[src/GUIRenderer/IEventListener.h] --> B[EventType.h]; A --> C[stdint.h];
```

The diagram illustrates the dependencies of the header file `src/GUIRenderer/IEventListener.h`. It is represented as a gray box at the top. Two blue arrows point downwards from its bottom edge to two other boxes below. The left box, labeled `EventType.h`, has a black border. The right box, labeled `stdint.h`, has a gray border.

EventType.h

stdint.h
